Full Line of Flexible Connectors

ESP now offers a full line of flexible connectors to HVAC/R wholesalers. We supply the most common couplings, bushings, and adapters for 3/4", 1", 1-1/4", 1-1/2", 2", and 3" PVC. These are great for service and install applications. All come with stainless steel, heavy duty hose clamps. Have a request for an additional size? Just ask.

Couplings - 3/4", 1", 1-1/4",
1-1/2", 2", and 3" available

Bushing - 1/2" to 3/4" available

Adapters - 1-1/4" x 1-1/2"
and 2" x 3" available
